

# Cristian Leonel Poroj Rojas, Frontend Developer Jr

Quetzaltenango, 9001, Guatemala, cristian.poroj.frontend@gmail.com

Nationality	Guatemalan
-------------	------------

LINKS	Linkedin, Portfolio, Github.
-------	------------------------------

PROFILE	I am a passionate and self-taught front-end developer with a focus on continuous learning. I have worked on personal projects where I have applied technologies such as React and Bootstrap, turning designs into functional and optimized code. I excel at teamwork, collaborating effectively and communicating clearly to achieve common goals. I am excited to apply my skills in a work environment, contribute to the success of projects and continue to grow professionally.
